

MG HS *HYBRID+*

SEAMLESS SHIFTS; SEAMLESS DRIVES.

INTRODUCING THE HYBRID WITH A COMBINED RANGE OF 1,287KM.

*Actual production vehicles may differ from the one shown.

SEAMLESS BY NATURE.

Designed to move with you – intelligently, efficiently, and with natural flow.

The HS Hybrid+ breaks conventions, combining confident performance with seamless hybrid technology. It's driving that feels bold, effortless, and always in harmony with your world.

SEAMLESS SHIFTS. ENDLESS DRIVES.

The HS Hybrid+ pairs a hybrid-dedicated 1.5T engine with an advanced electric system for instant response and smooth, EV-like acceleration. Accelerating from 0 to 100 km/h in just 7.9 seconds, with a 221 Horsepower and 340 Newton Meter, it delivers a dynamic driving experience that feels both powerful and refined. With regenerative braking and adaptive drive modes, power flows seamlessly – from city streets to open roads.

SMARTER MILES, LONGER JOURNEYS.

Travel further with less effort:

- Up to 1287 km combined range
- Fuel efficiency of 4.2L/100 km
- Regenerative braking that recharges as you go
- This means that when you brake, the battery is being charged. kinetic energy is converted into useless thermal energy loss which increases your range by 15%.

Confidence in every kilometer. Efficiency in every detail.

EXTERIOR

FIRST IMPRESSIONS THAT LAST.

HUNTER EYE HEADLIGHT

19-INCH ALLOY WHEELS

CONNECTED LED TAIL LAMP

Dynamic design meets refined elegance.

A bold, sculpted exterior with flowing proportions, a confident stance, and precision LED lighting. Eye-catching yet naturally seamless – a look that never fades.

The taillamp design draws inspiration from The Shard, mirroring its sculpted elegance and modern precision. Every line, surface, and touchpoint reflects the same commitment to refinement and sophistication.

INTERIOR

SMART AND INNOVATIVE COCKPIT

REFINED COMFORT. EFFORTLESS LUXURY.

Inside the HS Hybrid+, comfort feels instinctive.

Premium soft-touch leather seats, a spacious cabin, and a panoramic sunroof open every journey to light and freedom. The use of soft materials and precise assembly delivers a heightened sense of quality, while every element – from the crystal-inspired electronic gearshift to the 3-spoke steering wheel – is crafted with exceptional attention to detail.

And with wireless smartphone charging, you can stay powered up without the clutter of cables – making every drive smarter, simpler, and more seamless.

PANORAMIC SUNROOF

UP TO 441L BOOT SPACE

WIRELESS CHARGING

CRYSTALIZED GEARNOB

SMART AND ALWAYS CONNECTED.

A **27" widescreen display** unites driver and infotainment into one seamless panel. With intuitive controls, hybrid intelligence, and always-on connectivity, the HS Hybrid+ makes every journey smarter and naturally effortless.

Whether cruising on the motorway or navigating city traffic, the MG HS Hybrid+ adapts intelligently between EV, Hybrid and Petrol engine modes. This ensures you always enjoy the perfect balance of power and economy, giving you the freedom to go further with confidence.

27" DIGITAL SCREEN

PROTECTION THAT FLOWS WITH YOU.

Engineered with MG's advanced hybrid architecture, the HS Hybrid+ delivers confidence with every drive.

A 360° camera, intelligent driver-assistance features, and a comprehensive suite of safety technologies work seamlessly in the background to keep you protected and in control.

Equipped with the latest ADAS (Advanced Driver-Assistance Systems), the HS Hybrid+ uses sensors, cameras, and radars to monitor your surroundings and support key driving functions such as braking and steering — enhancing safety and easing every journey.

Testament to its exceptional standards, the HS Hybrid+ proudly carries a 5-star Euro NCAP rating, reinforcing MG's commitment to delivering innovation without compromise.

SPECIFICATIONS

TRIM	DEL	LUX
Dynamic Performance		
Engine	1.5L Turbo	
Powertrain	Front Wheel Drive	
Transmission	EDU	
Maximum Torque (Nm)	340	
Maximum Power Output (kw)	165	
Maximum Power Output (HP)	221	
Dimensions		
L/W/H	4670*1890*1663	
Trunk Volume (L)	441/1291	
Wheel Base	2750	
Fuel tank capacity(L)	55
