

RAKAN

BORN OF THE DESERT.

*Actual production vehicles may differ from the one shown.

BORN OF THE DESERT.

MG Motor Middle East marks a regional milestone with MG RAKAN, the first MG model to carry an Arabic name as its official, permanent designation. Derived from the word Rukn, meaning pillar or foundation, RAKAN represents strength, resilience, and stability.

It reflects MG's commitment to creating vehicles that are culturally relevant and purpose-built for the Middle East. Positioned as MG's first truly capable body-on-frame SUV, MG RAKAN has been engineered to handle the region's most demanding driving conditions. Built on a large SUV platform measuring over 5 metres in length with a 2,950mm wheelbase, it combines bold, modern design with genuine off-road capability and long-distance comfort.

PURPOSE-BUILT PERFORMANCE.

At the heart of MG RAKAN lies a 2.0-litre turbocharged engine delivering 247 hp and 410 Nm of torque, paired with a refined ZF 8-speed automatic transmission.

ENGINE TECHNOLOGY

- VGT Turbocharging for stronger torque response
- DVL Variable Valve Lift for improved efficiency
- 350-bar High-Pressure Direct Injection
- Integrated Exhaust Manifold for better thermal management
- Dual VVT with Optimised Cam Timing

ZF 8-SPEED AUTOMATIC

Designed for smooth and responsive shifting with dedicated off-road calibration, including:

- Manual gear hold
- Enhanced cooling capability
- Integrated tow functionality

SERIOUS OFF-ROAD CAPABILITY.

MG RAKAN is built on a body-on-frame architecture designed for strength and durability.

Key off-road highlights include:

- Super Select 4WD system
- Front, center, and rear differential locks (Three Locks)
- Crawl Control (CCO)
- 230mm ground clearance
- Approach angle: 29°
- Departure angle: 24°
- Water wading depth of 810 mm

The All Terrain System (ATS 2.0) offers:

- 2H, 4H, and 4L drive modes
- Dedicated terrain modes including Snow, Mud, Sand, and Rock
- 10 fixed terrain combinations
- 27 customisable combinations (power, steering, ESC modes)

Crawl Control maintains a steady low speed (4–12 km/h) by automatically managing throttle and braking, supporting controlled progress over challenging surfaces.

EXTERIOR

COMMANDING DESIGN.

With dimensions of 5046mm [L] × 2016mm [W] × 1876mm [H] and a 2950mm wheelbase, MG RAKAN delivers strong road presence and generous interior space.

BOLD FRONT GRILLE WITH STRUCTURED, ARMOUR-INSPIRED DESIGN

20-INCH ALLOY WHEELS

DYNAMIC BODY LINES WITH GLOSS PEARL PAINT FINISH

Exterior features include:

- Bold front grille with structured, armour-inspired design
- Split headlight design with Falcon daytime running lights
- Dynamic body lines with gloss pearl paint finish
- Cut-through LED taillights enhancing visual width
- 20-inch alloy wheels with Continental tyres

Every design element balances modern styling with functional strength.

INTERIOR

SPACIOUS AND REFINED INTERIOR.

MG RAKAN offers a spacious three-row cabin designed for versatility and comfort.

- 12.3-inch central infotainment display (1920 × 720 resolution)
- Up to 2,400 litres of cargo capacity with second and third rows folded flat
- 2.3m × 1.5m flat load space

Convenience features include multiple storage areas across the cabin, powered tailgate, remote engine start, and power-folding mirrors with memory.

12.3-INCH CENTRAL INFOTAINMENT DISPLAY

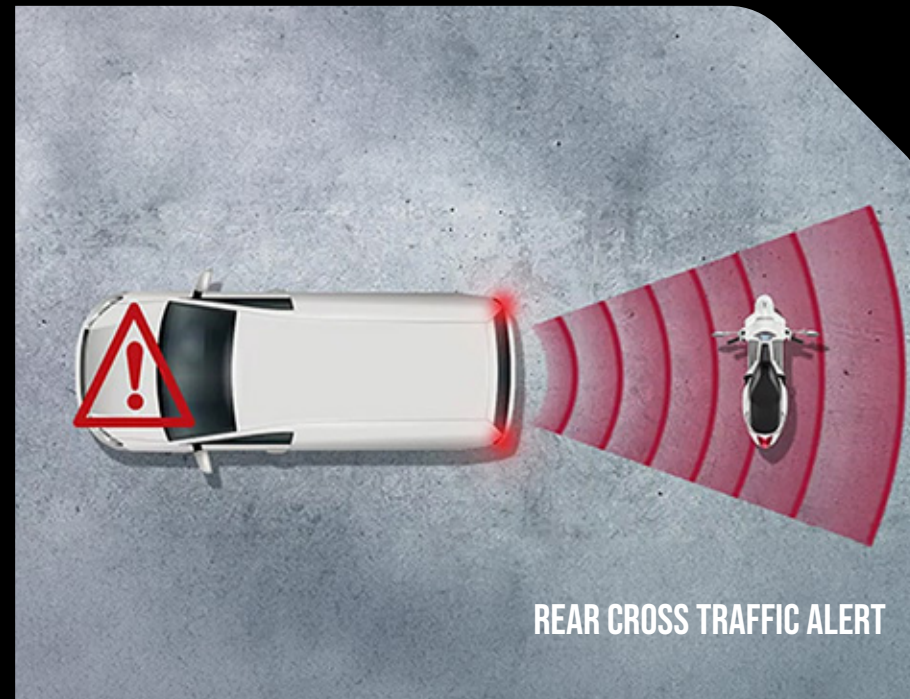

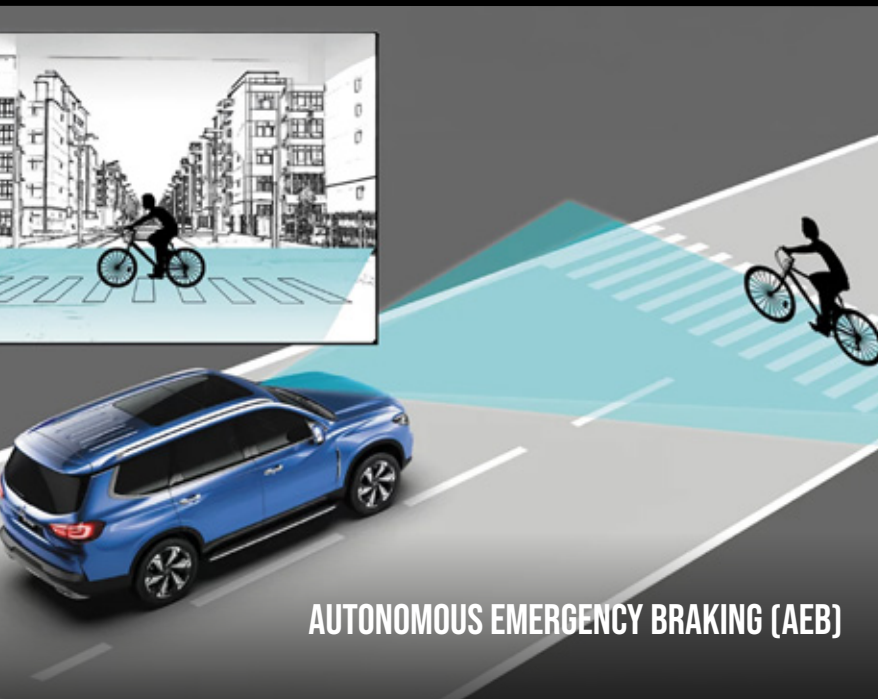

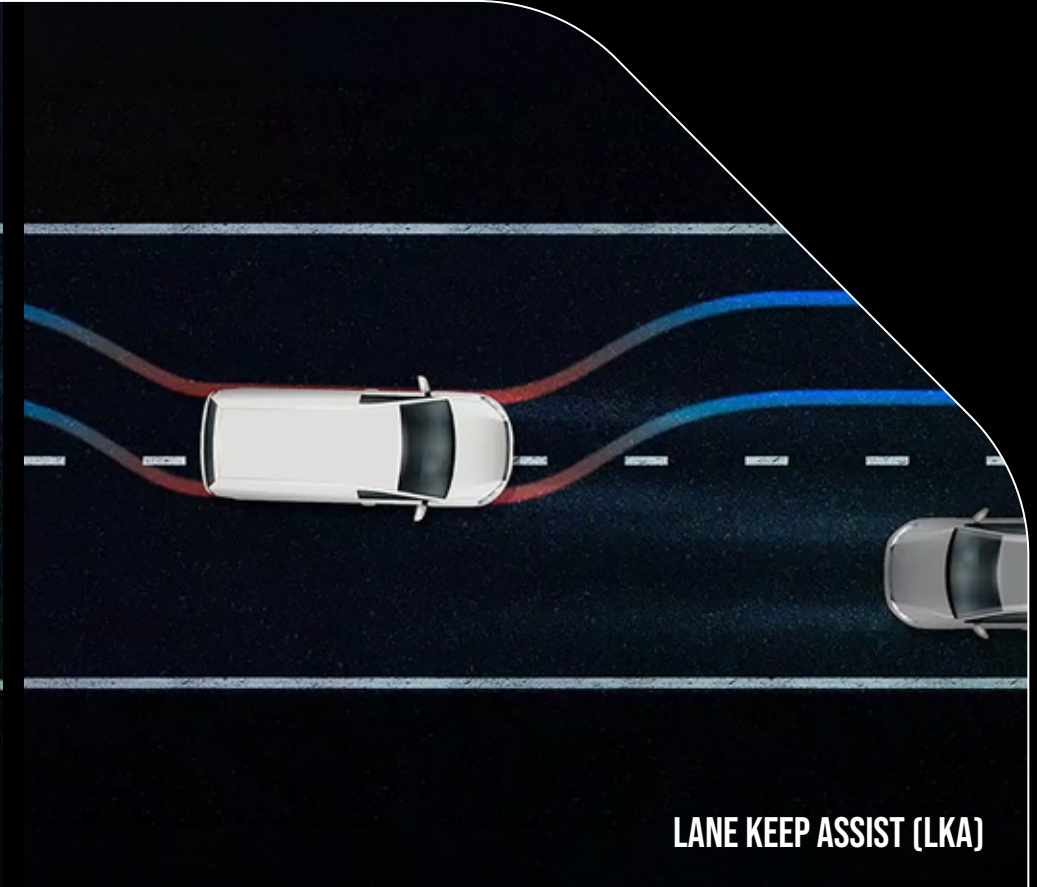

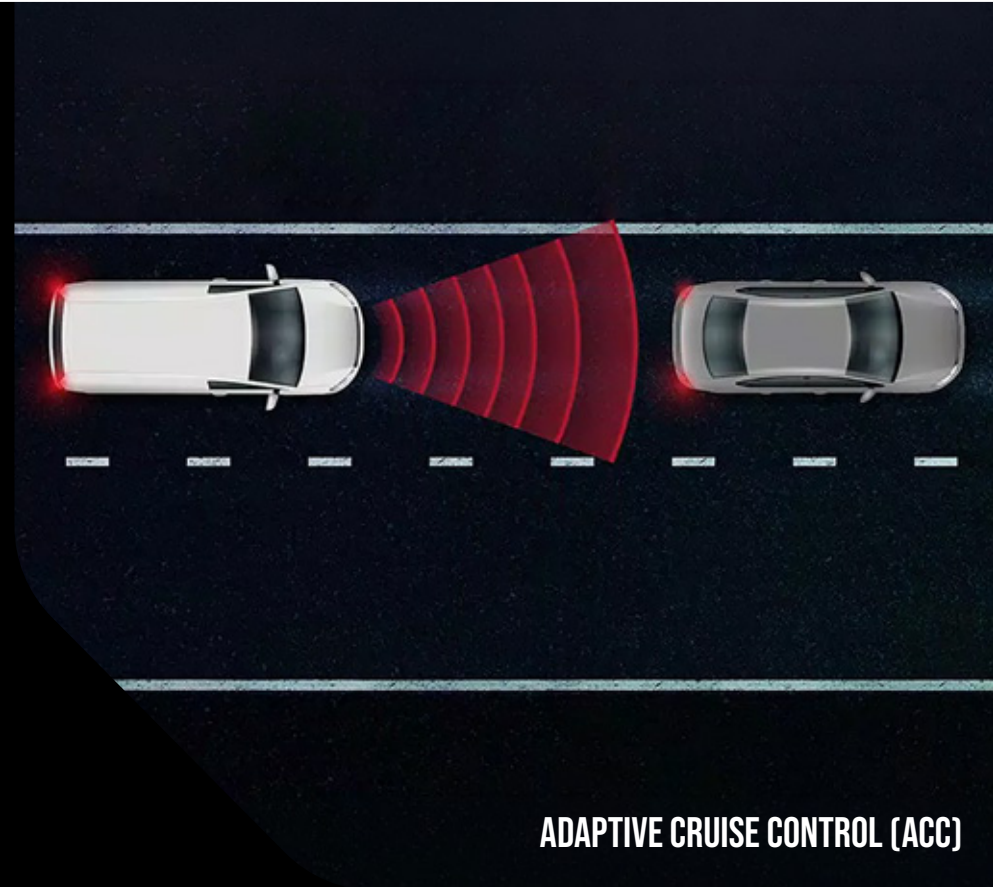

2.3M × 1.5M FLAT LOAD SPACE

PANORAMIC SUNROOF

ADVANCED SAFETY.

MG RAKAN comes equipped with Level 2 ADAS technologies, active across speeds from 0-120 km/h.

Key systems include:

- Adaptive Cruise Control (ACC)
- Autonomous Emergency Braking (AEB)
- Lane Keep Assist (LKA)
- Lane departure Warning System
- Blind Spot Monitoring

A NEW CHAPTER FOR MG IN THE MIDDLE EAST.

MG RAKAN represents more than a product introduction. It signals a clear evolution in MG's regional approach; placing cultural relevance, authentic capability, and purposeful engineering at the core of development.

Designed for the Middle East.
Engineered for its terrain.
